What data do we collect?

DASE collects the following data:

Personal identification information:

- Name
- E-mail address
- Complete personal identification number
- Phone number

How do we collect your data?

You directly provide DASE with most of the data we collect. We collect data and process data when you:

- Register for a DASE membership on either Google Forms, Hitract or Sverok sign up.

How will we use your data?

DASE collects your data so that we can:

- Process and manage your membership.
- Email you with an invite to the yearly meetings.
- Optionally: email information about upcoming DASE events as well as reminders about the yearly membership payment.

If you agree, DASE will share your data with our partner companies so that they may offer you their products and services.

- Datasektionen at LTU

- Sverok
- Hitract

How do we store your data?

DASE securely stores your data in a Google Drive form, securely behind authentication protection, only accessible by DASE. Additionally we store your data within a LUDD server only accessible by the DASE discord bot or by authenticated DASE board members.

DASE will keep your personal data for the entirety of the membership period and at most 3 months after the expiry date. Once this time period has expired, we will delete your data by permanently removing your part from all the databases.

DASE will also share personal data with partner company Sverok. Personal social security number, E-mail and phone number are required by Sverok to be a member on their platform. The data shared with Sverok is handled according to their respective GDPR policy.

We do not give data to Hitract, but if you sign up to Hitract and if you want your membership card on their platform they store the data according to their respective GDPR policy.

Marketing

DASE would like to send you information about events of ours that we think you might like.

If you have agreed to receiving marketing, you may always opt out at a later date.

You have the right at any time to stop DASE from contacting you for marketing purposes.

If you no longer wish to be contacted for marketing purposes, please contact DASE at dase@datasektionen.com.

What are your data protection rights?

DASE would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access – You have the right to request DASE for copies of your personal data. We may charge you a small fee for this service.

The right to rectification – You have the right to request that DASE correct any information you believe is inaccurate. You also have the right to request DASE to complete the information you believe is incomplete.

The right to erasure – You have the right to request that DASE erase your personal data, under certain conditions.

The right to restrict processing – You have the right to request that DASE restrict the processing of your personal data, under certain conditions.

The right to object to processing – You have the right to object to DASE's processing of your personal data, under certain conditions.

The right to data portability – You have the right to request that DASE transfer the data that we have collected to another organization, or directly to you, under certain conditions.

The right to be notified of potential breaches of your personal data – You have the right to be informed of this 72 hours into the potential breach.

The right to complain – You have the right to complain of any wrongdoing of these policies to the Swedish Authority for Privacy Protection (IMY).

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our email: dase@datasektionen.com.
